

The focus of the R2 YP committee has shifted from its primary focus being inclusivity and anti-racism to that being more of a lens we look through as we work on new initiatives for young folx in OA. We are very excited to have action items and be making changes real time! We are currently a small committee looking to grow, so we encourage you to come check out our upcoming meetings on April 11 and 25 at 6pm. Message Chelsea for the zoom info.
