# RECOVERY CONNECTION

## February 2021

### What is Overeaters Anonymous?

Overeaters Anonymous is a fellowship of individuals who, through shared experience, strength and hope, are recovering from compulsive eating. We welcome everyone who wants to stop eating compulsively. There are no dues or fees; we are self-supporting through our own contributions. We are not a diet club. Our primary purpose is to abstain from compulsive eating and compulsive food behaviors, and to carry this message of recovery to those who still suffer.

### Message from your Newsletter Editor

“Came to believe that a Power greater than ourselves could restore us to sanity.” Step two is the one that gives us hope. With step two we learn that we are not alone, and that something greater than ourselves can help to conquer food addiction and despair. Becoming abstinent means a restoration to sanity. In OA we learn that by working the 12 steps the restoration is happening in part because food addiction and its accompanying insanity are not controlling our lives anymore. We are invited to begin to think about what our Higher Power can be and what that power can do for us and we are given the awareness and understanding that we can’t recover alone. It really doesn’t matter whether we have any idea of how this power greater than ourselves is going to help, just that we come to believe it is possible.
